Criteria for Duluth Preservation Alliance Awards

Residential:

PLAQUE: Extensive restoration (could be interior &/or exterior) showing quality workmanship and materials. Neighborhood impact should be an important consideration. List pros and cons, with at least 75% pros to qualify. Example: Matthew Burrows Inn-1630 E. 1st St.

LETTER OF RECOGNITION: Restoration in progress, or more limited restoration mixed with renovation.

Commercial or Public Buildings:

PLAQUE: Extensive exterior restoration with continuance to street level. The project may include interior restoration and may be an adaptive reuse. The integrity of design and materials are an important consideration. Example: Fitger's Inn

LETTER OF RECOGNITION: More limited restoration mixed with renovation. The project should have a positive community impact.

Other:

There may be recognition of other things such as: bridges, boats, trains, etc.
This list was compiled in about 1983 and modified over the years.
